

DARK DUNGEONS

J.T.C.

Okay, Wizard, cast your spell!

Okay, Dungeon Master. My spell of light blinds the monster.

The thief, Black Leaf, did not find the poison trap, and I declare her dead.

NO, NOT BLACK LEAF! NO, NO! I'M GOING TO DIE!

Don't make me quit the game. Please don't! Somebody save me! You can't do this!

Marcie, get out of here.
YOU'RE DEAD!
You don't exist any more.

A black and white comic book panel. On the left, a woman with long, dark, wavy hair is shown from the chest up, wearing a dark jacket. She has her arms crossed and is looking towards the right. On the right, a man with a long braid is shown from the back, wearing a light-colored, possibly fur-trimmed coat. He is looking towards the woman. The background shows a window with vertical blinds and a small framed picture on the wall.

Debbie, your cleric has been raised to the 8th level. I think it's time that you learn how to *really* cast spells.

You mean you're going to teach me how to have *the real power*?

Yes, you have the personality for it now.

**THE INTENSE OCCULT TRAINING
THROUGH D&D PREPARED DEBBIE TO
ACCEPT THE INVITATION TO ENTER A
WITCHES' COVEN.**

I've brought Elfstar to become
a priestess and witch.

Welcome, Elfstar. You're now a
priestess of the craft, and of the
Temple of Diana.

Ms. Frost, this is fantastic...This makes the game real...It's not a fantasy any more.

Last night I cast my first spell...

This is real power!

I knew you were ready by the way you played the game...but this is just the beginning. There is so much more.

Which spell did you cast, Debbie?

I used the mind
bondage spell
on my father.

He was trying to stop me
from playing D&D.

A black and white comic book panel. On the left, a woman with long dark hair, wearing a dark dress with a wide white belt, stands looking towards the right. On the right, a man with short hair, wearing a jacket, stands with his hands gesturing. He is positioned behind a small, round, tiered stone table. In the background, there is a garden setting with a lattice fence and some foliage. Two speech bubbles are present: one from the woman on the left and one from the man on the right.

What was
the result?

He just bought me
\$200.00 worth of
new D&D figures
and manuals.

It was great!

LATER THAT WEEK

A black and white comic book panel. On the left, a woman with long dark hair and bangs sits at a desk, looking towards the right. On the desk are a computer monitor, a keyboard, and some papers. A speech bubble from her contains the text: "Hey, Debbie! Marcie's on the phone. She wants to talk to you. She's really upset." On the right, a close-up of a woman with long dark hair and bangs, wearing a dark jacket with a large collar and a brooch. She has a concerned expression. A speech bubble from her contains the text: "I can't. I'm fighting the Zombie. Tell her I'll see her tonight." In the top right corner, there is a small inset image showing a person in a dark, possibly outdoor setting.

Hey, Debbie!
Marcie's on the phone. She wants
to talk to you.
She's really upset.

I can't. I'm fighting the Zombie.
Tell her I'll see her tonight.

Hi, Mrs. Anderson. Marcie wanted me to see her tonight.

I'm glad you're here, Debbie. Marcie has shut herself in her room and won't come out.

She hasn't been herself for weeks. I've been very worried. Ever since her character in the game got killed, it's as though a part of her died.

Maybe you can talk some sense into her.

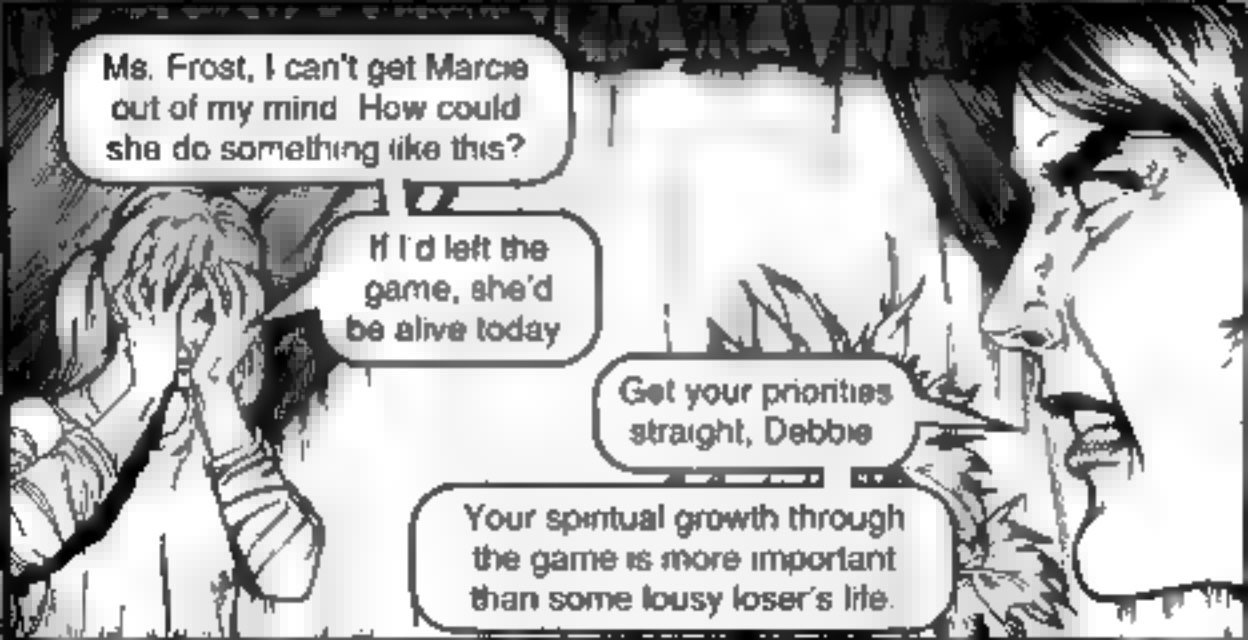

No, Marcie! You didn't
have to do that!

A black and white illustration of a hand holding a piece of paper. The hand is on the right side of the frame, with the thumb and index finger gripping the paper. The paper is tilted and contains handwritten text. The background is dark and textured.

It's my fault
Black Leaf
died. I can't
face life
alone!

Marcie

Ms. Frost, I can't get Marcie out of my mind. How could she do something like this?

If I'd left the game, she'd be alive today.

Get your priorities straight, Debbie.

Your spiritual growth through the game is more important than some lousy loser's life.

It would have happened sooner or later. Her character was too weak.

But the law of our faith is that we can do anything we want as long as we harm no one. But now we have harmed Marcie.

What have I gotten myself into?

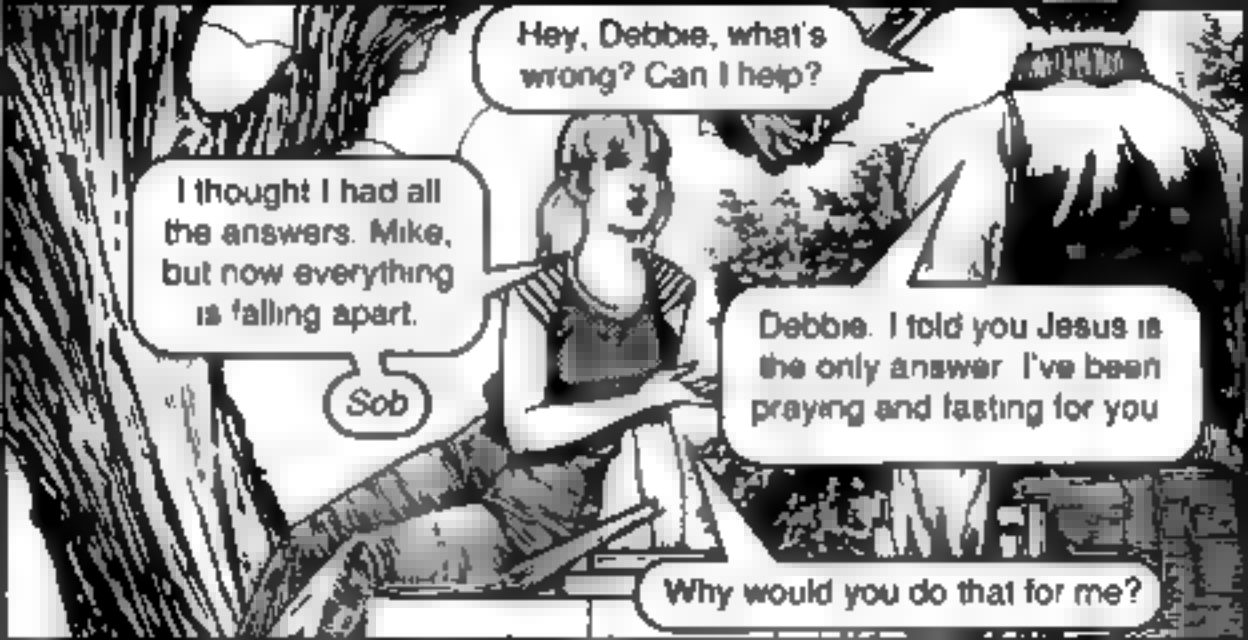

Don't be stupid, Debbie.

I think you'd better let
Elfstar take care of things.

You're getting
out of control.

I don't want
to be Elfstar
any more.

I want to
be Debbie

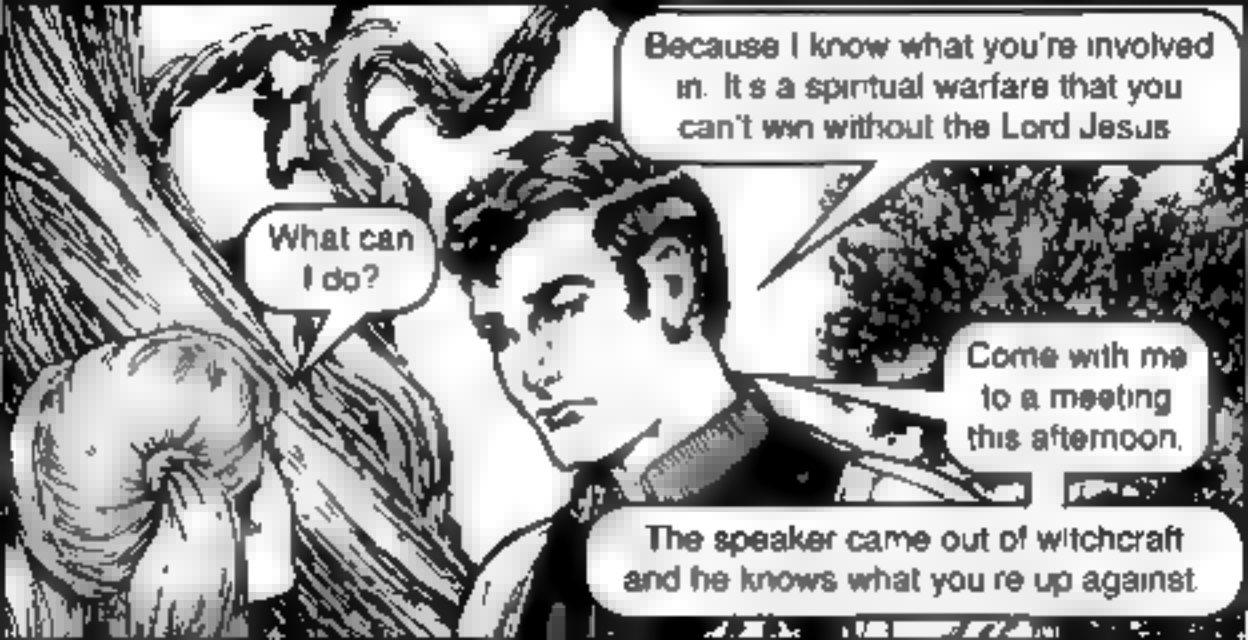

Hey, Debbie, what's wrong? Can I help?

I thought I had all the answers. Mike, but now everything is falling apart.

Sob

Debbie. I told you Jesus is the only answer. I've been praying and fasting for you.

Why would you do that for me?

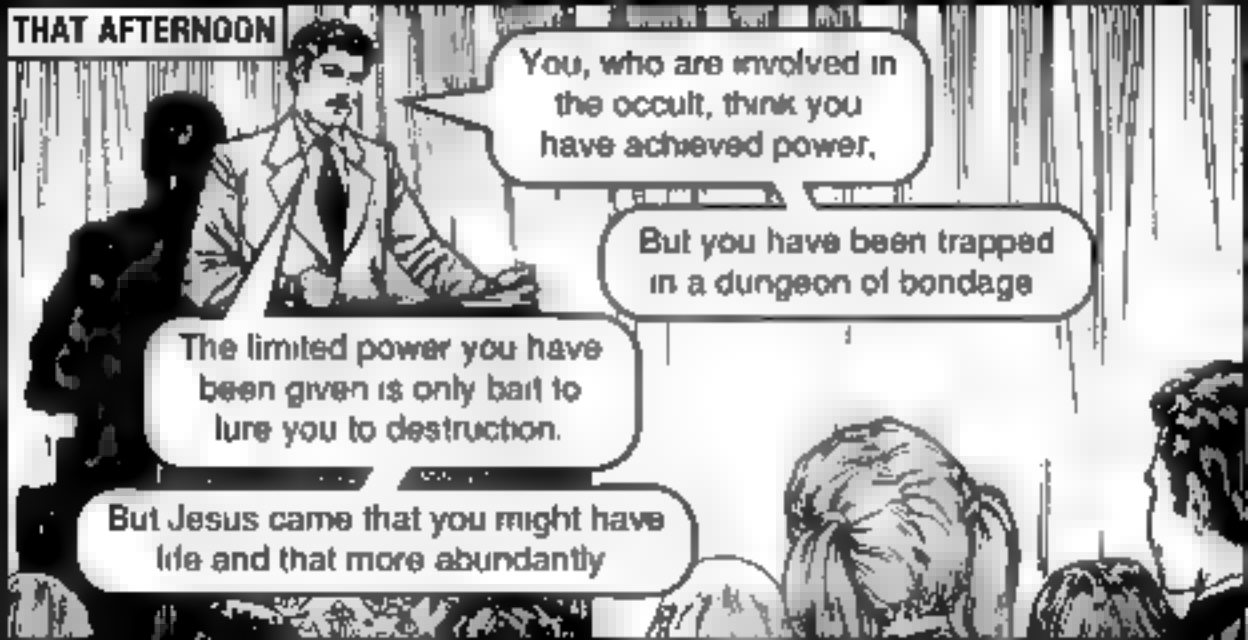

Because I know what you're involved in. It's a spiritual warfare that you can't win without the Lord Jesus

What can I do?

Come with me to a meeting this afternoon.

The speaker came out of witchcraft and he knows what you're up against.

THAT AFTERNOON

A black and white comic-style illustration. A man in a suit and tie stands on a raised platform, gesturing with his right hand towards a crowd. The crowd consists of several people, mostly seen from the back or side, looking towards the speaker. The background is simple, with vertical lines suggesting a wall or backdrop.

You, who are involved in
the occult, think you
have achieved power.

But you have been trapped
in a dungeon of bondage

The limited power you have
been given is only bait to
lure you to destruction.

But Jesus came that you might have
life and that more abundantly

Jesus sets us free from the bondage of witchcraft and gives us victory over all the power of the enemy (Satan).*

God's Word declares that you must repent of your sins and turn to Jesus Christ as your Saviour (Luke 13:5)

Then according to Acts 19:19 you should gather up all your occult paraphernalia like your rock music, occult books, charms, Dungeons and Dragons material. Don't throw them away **Burn them!** We'll do that here tonight.

We will also be praying for the deliverance of those who have allowed occult forces to control them.

*1 John 4.4 and John 8.36

A black and white comic panel showing a man in a dark suit seen from behind, with his arms raised in a gesture of invitation or proclamation. He is standing in front of a large crowd of people, whose heads are visible in the foreground. The background consists of vertical lines, possibly representing a stage or a large hall.

If you want Jesus as your
Lord, come forward now.

A black and white comic panel showing a woman with long, wavy hair and a distressed expression. She is reaching out her hand towards a man who is wearing glasses and a suit. In the background, another woman is visible, looking on. The scene appears to be indoors, possibly in a church or a formal setting.

Oh, God!
I need help...
My life's a mess.
Help me!

In the name
of Jesus, I
order* you
spirits of
the occult
to leave
Dimitri.

Jesus, I repent of my sins and I want
you to be my Saviour and Lord.

You guide me through
Life. I want You to be in
charge of everything...not
that lousy D&D manual.

"If the Son therefore shall make you free, ye shall
be free indeed." (John 8:36) ...where the Spirit
of the Lord is, there is liberty." (2 Cor. 3:17)

***WARNING:** see Acts 19:13-17

We take authority in the name of Jesus Christ and through the power of His shed blood and bind the demonic forces in this fifth of Satan.

Thank you, Lord, for setting me free.

"There shall not be found among you anyone...that useth divination...or a witch, ...or a consulter with familiar spirits, or a wizard....For all that do these things are an abomination unto the Lord."

Deut. 18:10-12

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6

NOBODY ELSE CAN SAVE YOU

1. Admit you are a sinner.
2. Be willing to turn from sin (repent).
3. Believe that Jesus Christ died for you, was buried and rose from the dead.
4. Through prayer, invite Jesus into your life to become your personal Saviour.

WHAT TO PRAY

Dear God, thank you for showing me what You think about the occult. *I also reject it!* I accept Christ's sacrifice as perfect and complete. Please forgive me in Jesus' name. I invite Jesus Christ to come into my life and I place my trust in Him alone for my salvation. Thank you for giving me eternal life right now.

Did you accept Jesus
Christ as your own
personal Saviour?

If your answer was yes, then this is just the beginning of a wonderful new life with Christ. Now:

1. Read your Bible (KJV) every day to get to know Christ better.
2. Pray to God every day (in your own words).
3. Be baptized, worship, fellowship, and serve with Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Christ.
